

MUSASHI INDIA PVT. LTD.

Cautionary Notice: Fraudulent Employment Offers and Financial Schemes

Attention: Job seekers, Banks, NBFCs, Financial Institutions and General Public.

It has come to our attention that certain individuals or entities are circulating fake or forged documents including employment offers, appointment letters, identity cards, salary slips, loan confirmations, or guarantees falsely attributed to MUSASHI INDIA PVT. LTD. (Musashi Auto Parts/ Company). In some cases, these documents are being used to fraudulently obtain loans or credit facilities.

We would like to clarify the following:

- Musashi India does not authorise any external consultant, agency, intermediary, or individual to issue employment letters, confirmations, HR documents, financial guarantees, or similar documents on behalf of the Company.
- Any communication **not** originating from the official Musashi corporate email domain (**map-id.com**) or from an officially authorised representative of the company should be considered invalid and potentially fraudulent.
- Only job postings on the official Musashi India careers page are legitimate and authorised employment opportunities.

Musashi India will not be responsible for any losses, liabilities, or consequences resulting from reliance on forged, or misrepresented documents. Stakeholders are strongly encouraged to independently verify authenticity of any communication before proceeding.

Verification Process:

If you receive employment or financial-related communication purporting to be from **Musashi India**, we encourage you to **contact the HR Department directly** to confirm its authenticity.

All job applicants, recruitment partners, financial institutions, and stakeholders are urged to exercise due diligence in verifying the legitimacy of any documents before engaging further.

Musashi India will take appropriate civil and criminal action against any person or entity involved in the creation, distribution, or attempt to benefit from fraudulent documents or misrepresentations made in the Company's name.
